Foreword

The progress and growth of Hudson School, since the beginning of the 20th Century, and the manner in which "time" has marked changes during this period have been so great that we chose to develop this year book around the evolution of our school.

The Lingle School was Hudson's first public school. It was in service as early as 1889. This building is still standing; it is located on the Cedar Valley Road.

The Throneburg School was Hudson's second. It was in use at the turn of the century, and was located at the present home site of Mrs. Theresa Sherrill.

To be progressive is to be modern, and our school has developed into one of the most modern institutions in North Carolina. This growth has not ceased, nor will it cease in the years to come, for as those who have gone before us have contributed to the growth of our school, so will they who follow. "Time marches on."

We honor. . .

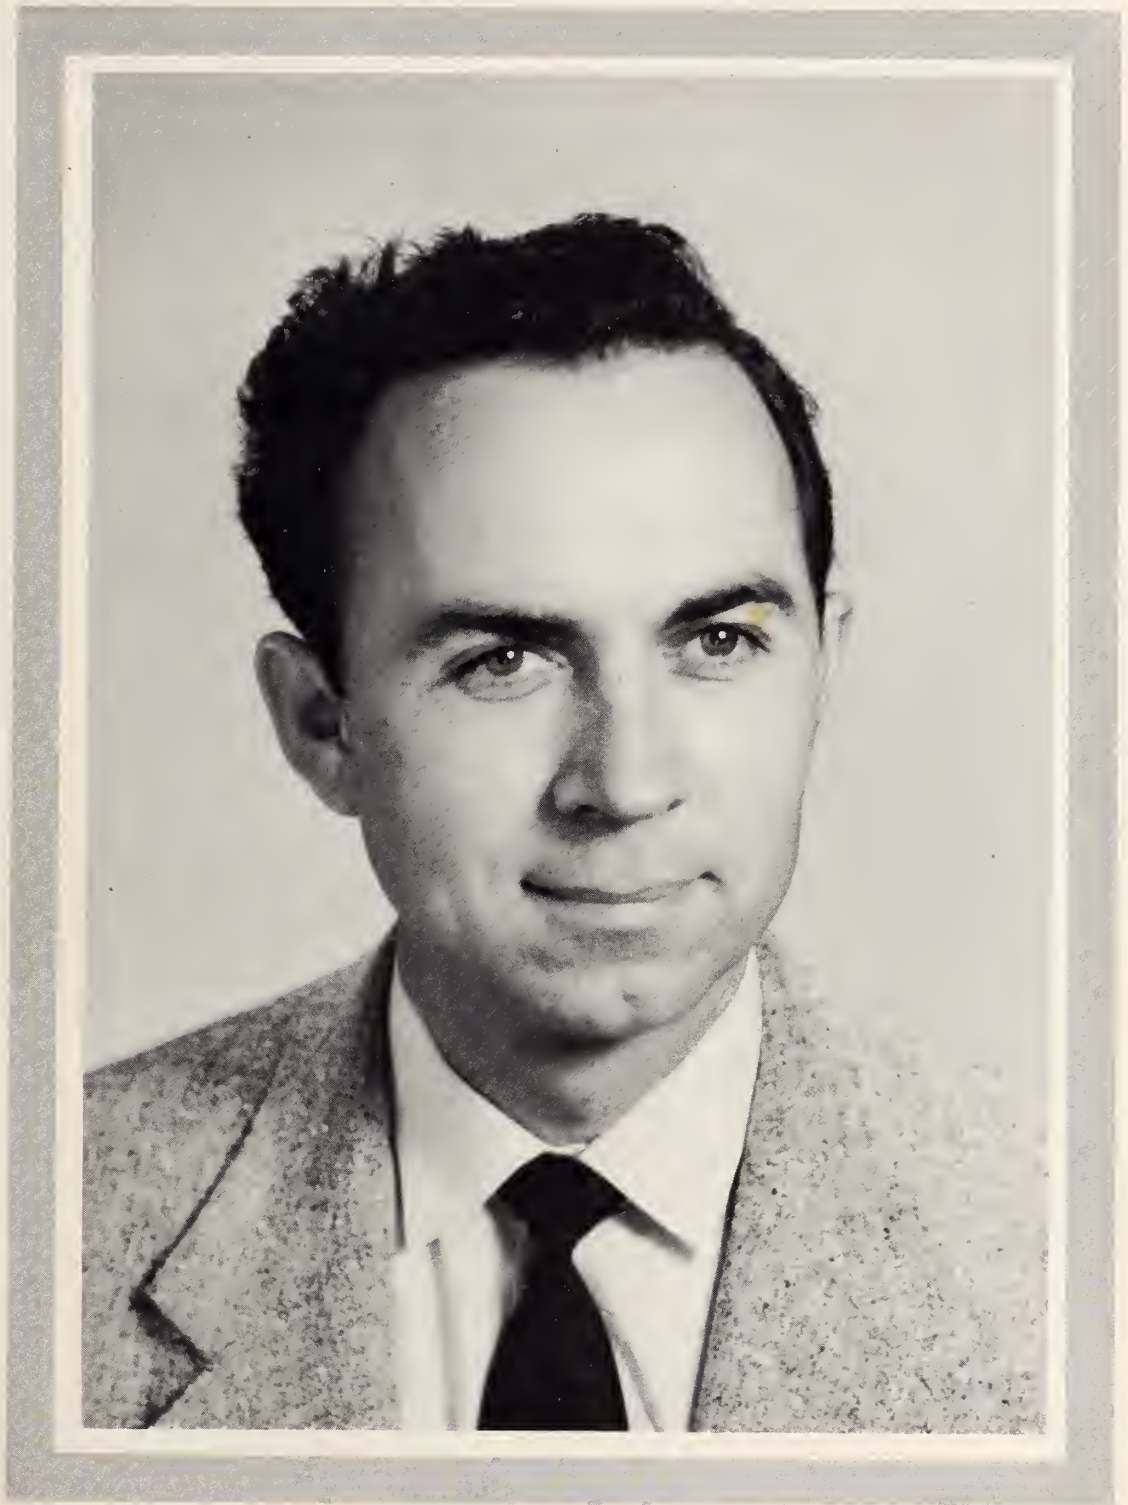

At the beginning of every school day, one of "Mr. Henry's" duties is that of postman.

There is always plenty to do after school hours at the Lathan home; but because of his love for the outdoors, Mr. Lathan chooses chores such as this.

When the time comes for relaxation, he likes to learn what the rest of the world is doing.

Because of his prudent counsel; because of his incessant drive to better our school administration; because of his sincere desire to make of us a better society of young citizens; and because of his congenial Southern hospitality, we sincerely dedicate this volume of the HORNET to the principal of Hudson Senior High School, our own MR. C. HENRY LATHAN.

April 7, 1947 to April 4, 1949
Member of the Hudson School Board
April 7, 1949 to June 16, 1957
Acquaintances remember this greeting: "Hello, my friend."

The Academy was the first building to occupy the present school site, and the third to be used as a school building. It followed the Throneburg School and was built shortly before 1900 by "Northern ladies"—Mrs. Sarah Rand, Miss Carrie Rand, and a Mrs. Tuttle. The first floor was used for the classrooms and the auditorium; the second, as living quarters for the boarding students and the teachers. The school served, roughly, the district it does at present. The entire course of study was equivalent to the completion of the eighth grade today. One "graduated" when he was able to score 98 on all the subjects. Box Suppers were held frequently for the purpose of raising operating funds.

This was Hudson's first brick building and the fourth "school house" to serve the community. It replaced the Academy which was torn down in 1912. The life of this building was only thirteen years. One of the walls cracked and it was condemned by the authorities. Classes were held in a local church until the new quarters were ready. The first pupils to be transported by a "school conveyance" attended this school. The first such transportation was a wagon; this was followed by a Ford truck equipped with curtains. Pupils came from as far away as Burke County. One of the early principals was Mr. J. F. Goodrich from the state of Michigan.

The council consists of three officers and two representatives from each home room. The principal and one other faculty member act as advisors.

The Senior Band, with a membership of fifty-eight, is now in its third year. Highlights of this school year include performances at eight football games; marching in the Lenoir Rhyne and Appalachian homecoming parades; and

The First Period Chorus

The Chorus is a new organization this year under the direction of Mr. Morley. The 168 members are divided into two sections which meet during the first two periods each day. Celeste Claer acts as regular accompanist; Brenda Herman, Wanda Bolick, and Helen Haynes are her assistants.

The first public appearance of the group was the P. T. A. Christmas Concert.

We became the card section at football games and made the big H.

Judy Price, Douglas Triplett, and Tam Price were the officers for the first period group.

The purpose of the Key Club is to develop leadership in our school. This club was first organized in Hudson School in 1949, and has been active every year since.

Our current projects are: to help eliminate the noise in the halls during lunch periods, to furnish book covers for those students who want them, and to take care of the hall doors during fire drills.

Key Club members hold the doors for Jean Hartley, Peggy Gragg, Larry Simmons, Rebecca Mull, and Barbara Johnson during a fire drill.

S. G. O.

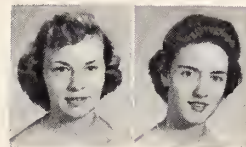

The initial meeting of the S.G.O. Club was held on November 6, 1951. Mrs. Kincaid and Miss Conley were, and still are, the club sponsors. The motto of the club is "S.G.O."

The club has two aims: to broaden the social interests of the members and to make some improvement in the school each year.

The club meets the first Monday night of each school month at the home of a club member. Membership is limited to twenty-five girls in each chapter. New members are topped in May by present members, and all candidates must be rising seniors.

A highlight of the year is the "Five Course Progressive Dinner."

Because of the large number of senior girls interested, both the Alpha Chapter and the Omega Chapter were organized this year. Last year, only the Alpha Chapter was active.

Beta

The National Beta Club is a non-secret, leadership service club for high school students. Its purpose is to reward merit, encourage effort, and develop character. Its motto, "Let us lead by serving others," is a true indication of the spirit which motivates the club and the individual members.

The requirements for membership are: honorable character, good mentality, creditable achievement, commendable attitude, and the approval of the executive head of the school.

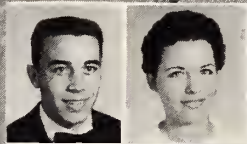

The Beta Club was chartered as an EDUCATIONAL ORGANIZATION under the laws of South Carolina on August 31, 1936.

This club was organized at Hudson in 1949; Mr. G. L. Talley was the first sponsor. The purpose of the club is to honor major athletes, cheerleaders, and managers. Too, the group seeks to promote better sportsmanship between this school and her opponents.

In order to become a member, a student must be a letter winner in the field of sports.

The two projects this year were the operation of the Ponceasstand, and the sponsoring of the football banquet.

The Hudson organization is the Lillian McLean Chapter of F.T.A., and is affiliated with the North Carolina Education Association and the National Education Association.

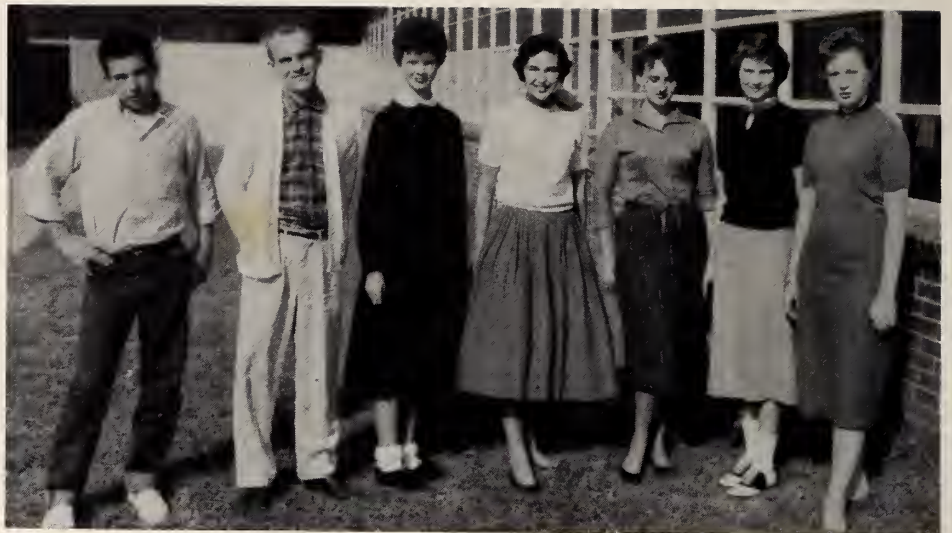

Members are chosen from the eleventh and twelfth grades on the basis of character, scholarship, and leadership.

We assist the faculty in any way we can, and some days we act as substitute teachers. We honored our teachers during National Education Week, November 11-15.

Teachers Tester, White, Farlow, Kincaid, Caudle, White, Newsome, and Hunter entered the "fashion contest" while last year's F.T.A. cheered them on. This party on March 3, 1957, climaxed the observation of Teacher Week. It was the first time in the history of the school that teachers had been so honored.

Scholarship

In order to qualify for a scholarship letter, a student must average 90 or above on four subjects and no less than 85 on the fifth subject. In the event he is carrying only four subjects, all must be 90. Conduct must fall no lower than A minus. Only one letter is issued. Special recognition is given during an assembly program to those who win the honor more than once.

This modern one-story brick building replaced the "Dome" building in 1925 and became the fifth school structure. A special feature of this building was the courtyard, which was an uncovered space surrounded on four sides by classrooms. The auditorium occupied a prominent place near the center of the building. In the fall of 1940, this building was destroyed by fire. Immediately, construction was begun on a replacement; but in February, 1942, just weeks before it was to be occupied, it, too, was razed by fire. Students continued to gather at Hudson each morning, then board assigned school buses for Granite Falls, Sawmills, Whitnel, and Davenport College in Lenoir. Two senior classes graduated "away from home."

Our 1957 Baseball Hornets, made up of three seniors, seven juniors, five sophomores, and two freshmen, finished the season with a 10-8 overall record and an 8-8 N.W.C. record.

We do not believe that scores tell the whole story. The team played good ball in every game despite the defeats they suffered. During the season, Bobby Saunders scored 54 points and gained 535 yards rushing. Tony Walker caught 20 passes for a gain of 253 yards. Eddie Woodie gained 300 yards rushing. Tom Price, Wayne Honeycutt, Ray Adkins, Lowell Greene, and Glenn Herman were outstanding linemen; Paul Bumgarner did a fine job as quarter back. The boys and the coaches worked hard. The season began December 13 and closed February 28. Eight games were scheduled for our new gymnasium, but the building was not completed in time. All games were played in "borrowed" quarters. High scorers for the season were Wanda Cox with 357 points, and Don Simmons with 335. Don was chosen All-Conference forward.

George Puett was too busy to look at the photographer.

Here we see Douglas Woods, Don Simmons, and Barry Benfield in action.

Working with Judy L., Martha S., Lil Lows, Lindo Jackson.

Richard Suddreth and Lorry Cline are in top "form."

This sixth building replaced those lost by fire and was occupied in the spring of 1943. It is an exact duplicate of the second building that burned. Currently, it houses grades one, two, three, seven, eight, and nine. In 1949, a lunchroom and an auditorium were added. There are twenty-five classrooms, a lounge, and the principal's office. This is Hudson's first school building to be constructed with "fire walls." For ten years, all grades were located on the two floors and in the basement of this structure; however, enrollment increased, and the need for more room was inevitable.

The Hornet Staff

In developing the theme "time and progress," we have collected a few old pictures and many new ones. We sincerely hope you will find the collection a valuable one as you view the past and the present history of your school.

Mrs. Peters, Supervisor

Pictured on this page are very important people here at Hudson. The lunch room personnel keep us well-fed; the custodians keep the physical plant in tip-top condition. Our comfort is the first concern of all.

Custodians

Mr. and Mrs. Houston Crump

*Mr. and Mrs. Hight Austin replaced the Crumps who resigned at the beginning of the Christmas holidays.

Bus Drivers

Posing beside a bus are Carroll Hall, Clyde Heffner, Larry Sherrill, Glenn Herman, Dennis Andrews, Larry Hoyle, Walter Moss, and Richard Suddreth.

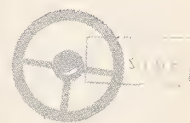

Each boy or girl who drives a bus for the 180 days without an accident involving the State Highway Patrol is awarded a safe driving pin. Too, each has an opportunity to enter the School Bus Rodeo. Last year, Peggy Turnmire was district champion in the girls' division.

Signing in are Larry Wheeling, Dean Propst, Jack South, Eddie Icard, Douglas Coffey, Kenneth Shell, and Jimmie Bean.

Making out those daily reports are Johnny Heffner, Billy Austin, Donald Blackwell, Ned Taylor, Cecil Wright, Barbara Crump, and Janice Austin.

Library Science

Familiar to and frequented by all---the library.

The Library Science Club was organized in 1953; its members were recruited from those students enrolled in library training or those who had previously had such training.

The club is a service club designed to promote interest in the library and to assure the most efficient care, and distribution of library books and materials to the student body.

Each year, the club purchases some needed article of library equipment.

Office Girls

Front Row: Jeon Dulo, Modeline Knight, Doris Adderholdt, Patsy Chandler Crump. Back Row: Borboro Crump, Celeste Cloer, Rebecco Lone, Rilda Clark, Jonice Austin, Wondo Craig, Lona Greene, Jonice Loney.

Each period during the day, senior girls aid the principals in a clerical capacity. They are responsible for the morning reports, the collection of lunch tickets, and the mail. In addition, they "run" errands and carry messages for all.

Storekeeper

Dock Seagle is the school "merchant" in his role as storekeeper. He presides over the pencils, the pens, the paper, the cough drops, and the ice cream; his store is a popular place at lunch time.

Dock's customer is Phyllis Winebarger.

Forty years ago, in 1918, six students graduated in this--the third--graduating class of Hudson School. Seated are Josephine Conley (Mrs. C. B. Garrison, Lenoir, N. C.) and Inez Bowman (Mrs. Floyd Talley, Victoria, Va.). Standing are Carrie Bush (Mrs. Ralph Setzer, deceased), Marcus Bolick, Hickory, N.C., Annie Lee Crouch (Mrs. J. C. Canipe, deceased), and Coit Lingle (Mrs. C. M. Starr, Columbia, S. C.). The number completing high school increased slowly. In 1928, there were only seven; in 1938, the number was forty-four; in 1948, the senior class numbered fifty-one. The last decade has brought an astounding change in the number who receive diplomas. This year, there are 128 hopefuls.

we were marshals for the '57 graduates. . .

MONROE TEAGUE
Chief

Each Junior sponsor chose two students, who were outstanding scholastically, to act as marshals for the 1957 commencement exercises. The baccalaureate sermon was held at the First Baptist Church, Hudson, on May twenty-sixth; the graduation, at the stadium on May twenty-seventh..

Jerry Woods, Wayne Honeycutt, Doris Knight, Sylvia Alexander.

Elaine Hickman, Janice Warlick, Mary Jo Austin, Monroe Teague.

Friday night, April 26, 1957, was The Night---we honored the seniors with a "Rock and Roll" Prom. All the "cats" came out, and the place "jumped with jive."

Only Judy Johnson, Mary Sherrill, Elaine Hickman, Maxyne and Nadeen Cloer know what is behind the "green door."

Mary Nell Hollar, Lana Greene, Janice Laney, Eddie Woodie and Monroe Teague are "slapping up the motif on the bulkhead."

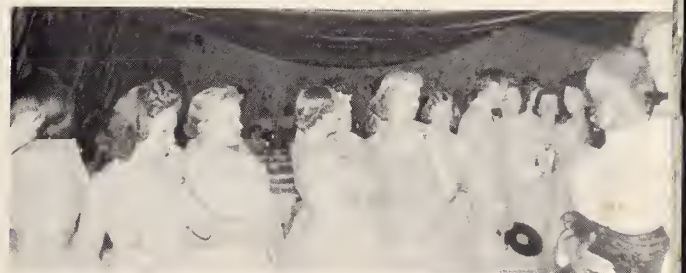

David Shell tells jokes as Wayne Honeycutt says, "Let's shag."

Kathy Carroll and Mr. Lathan, sprinkled with confetti, "cut a rug."

Joyce S. Beane, Ardell Morrow, Mozelle Bumgarner, and Betty Mitcham watch that rock 'n roll entertainment at close range.

Betty Mitcham, Jean Dula, Lillian Adkins, Reba Beane, and others "killing" time, waiting to get "shot."

we gave the class of '57 a prom. . .

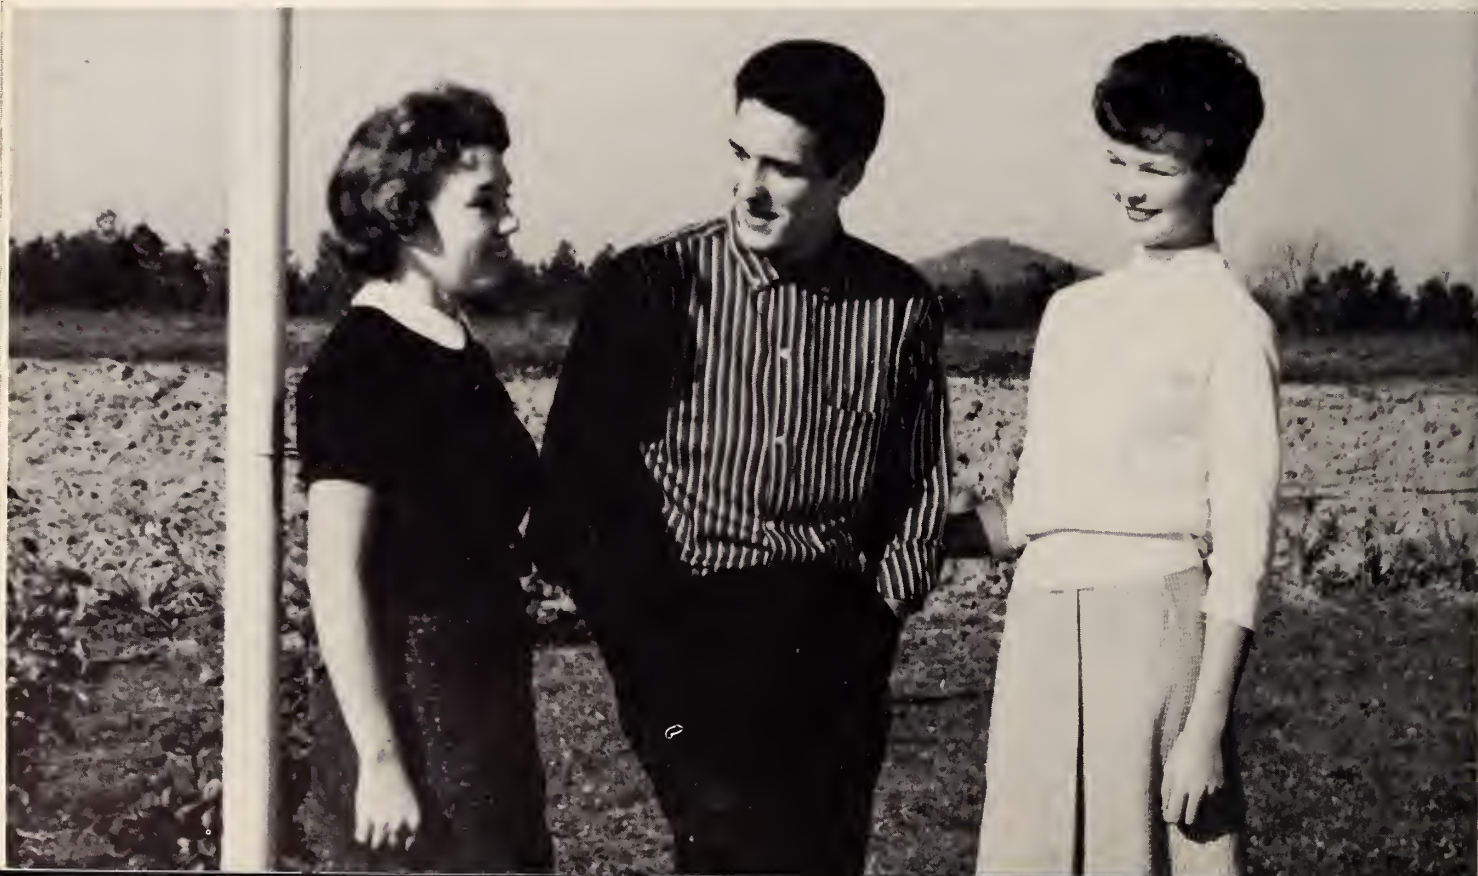

TONY WALKER

we engaged in miscellaneous activities. . .

We met Mr. Andrews in General Science class. /

Vernon Lane, Harvey Dancy, Richard Warlick, David Moore, and Wayne Crunkleton try football.

Carol Walker and Jane Craig add a few "finishing touches."

We found new experiences and new friends in high school. Some of us attended Hudson before entering the ninth grade; others had completed the elementary grades at Whitnel, Sawmills, and Baton.

Roy Miller, Charles Price, and others enjoy P. E.

Linda Sibbett, Jean Hickman, Tobotha Taylor, Judy Austin, and Linda Greene are "girls with books."

Hudson's seventh school building, with its eleven rooms, is currently housing the fourth, fifth, and sixth grades. It was occupied in January, 1952, and is still considered "modern" even by present standards. The first tiled floors and pastel walls in Hudson's buildings appeared in this addition. It stands between the teacherage and the 1943 structure. These two buildings, located on a six acre tract, comprise the present elementary school. Because every foot of available space is taken up by buildings and playgrounds, it became necessary to find a new location for the erection of a senior high building. A sixty-six acre tract on the Lenoir-Hickory by-pass was secured, and plans were made for further expansion.

state representatives

Brenda Drum and Jerry Crump were chosen by the Hudson American Legion and the Auxiliary to represent this school at Girl's State and Boy's State. Brenda went to Woman's College, Greensboro, for one week; and Jerry went to the University of North Carolina, Chapel Hill, for the same amount of time.

The purpose of the conferences is to give those attending a better understanding of governmental affairs.

FAYETTEVILLE

In January 1956, the tenth, eleventh, and twelfth grades moved to the present ultra-modern senior high building. It is constructed of steel, glass, and masonry and is entirely fireproof. Within two years, this building was filled, and even the lunchroom was pressed into service this year for two periods per day. Last summer, an extensive building program got under way. By September, 1958, there will be a gymnasium, a band building, an agriculture building and a new wing of classrooms ready for use. The ninth grade will then join us in this building, the eighth since 1880.
